MEMORANDUM FOR THE RECORD

SUBJECT: Block Planning - OSO/GSG/SAD Computer Space

25X1 1. On 16 November 1983, [] and the undersigned
25X1 met with [] of
25X1 OSO/GSG/SAD. []

25X1 2. The New Building Project Office (NBPO) reviewed with the
above the location of their computer space in the New Building.
[]

25X1 3. A walk-through of their computer room, tape registry,
maintenance room, and office space was given. []

4. SAD made two requests for their computer room:

a. The computer tile must have carpet.

b. The computer room must be acoustically treated
due to noisy equipment.

25X1 5. Specific engineering questions came up concerning what
electrical and mechanical systems would be supplied to the
computer room. These questions will be addressed at another
meeting with NBPO. []

25X1 6. Questions came up concerning whose funds would be used
for specific needs in the New Building. These questions will
also be addressed at another meeting with NBPO. []
